DIRECTIONS

1. Use the Simply Scored to score the 3" x 11" Whisper White cardstock at 5 ½".
2. Use the 2 ¼" Circle Punch with the 2 ½" x 2 ½" Mint Macaron cardstock to create a circle.
3. Use the 2" Circle Punch to create a circle from the 2 ¼" x 2 ¼" Whisper White cardstock.
4. Stamp the 'Make A' sentiment in Rich Razzleberry ink onto the top of the white cardstock circle.
5. Use the Banner Triple Punch to punch the left end of the 1" x 5 ½" strip of Mint Macaron cardstock.
6. Use the Multipurpose Liquid Glue to layer the white circle on top of the middle of the Pearlized Doily.
7. Lay the banner punched 1" strip of Mint Macaron cardstock across the middle of the 4 ¼" x 5 ½" panel of Mint Macaron cardstock; so that the banner ends touch the left edge of the panel.
8. Mark a line where the right edge of the strip hangs over the right edge of the panel. Score on that mark.
9. Attach the right scored & folded edge of the Mint Macaron strip to the right side of the Mint Macaron panel, so that it lays across the middle.
10. Use the Big Shot with the Broadway Lights Framelits to die cut the word 'wish' from the Gold Foil cardstock.
11. Attach the die cut word 'wish' to the white cardstock circle, underneath the stamped 'make a' words. Use the Multipurpose Liquid Glue, ensuring that the glue is placed only on the areas that will attach to the circle.

12. Attach the 2 ¼" Mint Macaron Circle to the back side of the strip, so that it is layered behind the doily.
13. Stamp the 'hooray' sentiment inside the scored & folded Whisper White cardstock, in Rich Razzleberry ink from the Broadway Birthday stamp set.
14. If you have one, use the Stamparatus to line up the dotted image stamp inside the stamped 'hooray'.
15. Stamp the dotted image on top of the 'hooray' with Versamark ink.
16. Cover the Versamark stamp with Gold Embossing Powder; shake off any excess powder.
17. Heat set the embossing powder with the Heat Tool.
18. Stamp the 'it's your birthday' sentiment underneath the embossed 'hooray', with Mint Macron ink.
19. On the front of the white panel attach the 3" x 5 ½" panel of Share What You Love DSP with liquid glue.
20. Attach the Whisper White panel to the centre of the Mint Macaron card base.
21. Attach the coordinating ½" x 5 ½" strips of Share What You Love DSP to either side of the white panel. This will cover up most of the Mint Macaron 'strip' on the right hand side.

Congratulations! Your card is now complete!
